

Burnsville Public Library

FRIENDS OF THE LIBRARY

Libraries are crucial parts of the community. They are the place you go to pick up your next great read, and so much more. Libraries are valuable to the community because they provide a place for people to learn more about what is going on in their town. They have events going on all the time where you can go and learn about new topics, get crafty, and meet great people! For children libraries encourage a love of learning that can last a lifetime! They also provide programs for children that allow them to be creative, learn a lot, and spend time playing with their friends! Libraries also have technology available to learn how to build a resume, write it, and print it. They are a place that people can come together! If you would like to be part of this endeavour please come by and become a Friend of the Library today!

What do Friends do?

- They work toward quality programs for the library
- Encourage readership in the community
- Enjoy the fellowship with other library Friends
- Support development of library services
- Assist in the development of special programs
- Help with fundraising activities

THANK YOU
