

Instructions on How to Get E-Books

*Make sure that you have your library card handy. You will need your number.

*You will also need to have some type of app or device that allows you to utilize E-Books. You can download the Libby App from Overdrive from your App Store. There is also a free Kindle app that you can download from the Google Play Store if you need one.

1. Go to the library website at burnsville.lib.wv.us
2. Scroll to the bottom of the homepage and click on the box that says Now Available E-Books, digital audio books, & more
3. You will be taken to the WV Reads website, click on Sign In near the top right-hand side of the page
4. It will ask you to select your library from a drop-down menu. **Choose Upshur County Public Library**
5. Enter your library card number
6. Search for what you want
7. Make your selection by clicking Add to Bookshelf button
8. Access the Bookshelf by clicking on the Go to Bookshelf button
9. Click on Download and select your format type
10. The book will automatically come off your device in 14 days
